Re: Updates

The following memo serves to provide an update to PSOs and their membership regarding the operations of Weightlifting Canada Haltérophilie (WCH).

1. Election of Directors under New Bylaws.

The election that was scheduled for January 23rd is postponed pending the outcome of a potential appeal. Further information will be provided as it is available

2. Canadian Invitational

We are happy to announce that with the Ontario government indicating they are relaxing COVID restrictions at the end of the month, we have secured a venue for the Canadian Invitational in Scarborough Ontario. Thank you to Ontario Weightlifting and Abdallah Alsebaai for their assistance securing a competition venue. The competition will go as planned on February 26 and 27th. Provided with the email of this memo are some time sensitive forms that need to be completed by PSO leadership to ensure access to the event. The forms are due no later than 8pm January 26, 2022. Given the size of the competition we kindly request one set of forms from each province that contains all the relevant information.

We have not yet confirmed a registration amount as we are waiting for information regarding a grant application that we have made to offset some of the competition costs. Similarly, as we were just notified today that the event could proceed, we have not yet secured a competition hotel. We are actively working on both and hope to have information available next week.

3. Youth Pan American Championships

The competition memo is attached to this email. Please note there are also time sensitive information requested for those interested.
