

2021 Year End Rankings – As of December 31, 2021

Rankings for Weightlifting Canada Haltérophilie (WCH) are based on the markers established for the Athletes Assistance Program (AAP). For more information on these markers you can review the AAP document by clicking [here](#). Team Selection markers are not considered in the ranking process and are only used to determine eligibility for selection to our National Team.

If an athlete has achieved a total in a competition that is not listed, it is because the results were not submitted to WCH for inclusion.

Rankings are listed when athletes achieve 70% or greater of the AAP marker.
