

NCCP Competition Development Evaluation in 2022

Submit names of candidates who are ready to be evaluated at the Competition Development level. Note that fees will be applicable based on the number of candidates being evaluated.

Prerequisites:

- Competition introduction certified
- Trained competition development
 - Must have completed the Competition Development Weightlifting workshop
 - Must have completed the three online evaluations
 - Leading Drug-free Sport Online Evaluation.
 - Managing Conflict Online Evaluation.
 - Make Ethical Decisions Online Evaluation (If evaluated in competition Introduction context then does not need to be re-evaluated)
- Will be coaching one of their personal athletes who has achieved the minimum qualifying standard permitting them to participate in the Senior Nationals.
 - The coach must have prepared and monitored his/her athlete through the yearly training and preparation cycle towards the 2022 Senior Nationals.
- The signature of the provincial director will attest that the candidate has met all requirements.
